Citizens Bank & Trust Raises \$36,000 for Northeast Alabama FCA at Annual Golf Tournament

Guntersville, Ala | May 10, 2018

4th Annual Citizens Charity Classic Raises \$36,000 for Northeast Alabama FCA

Citizens Bank & Trust hosted its 4th Annual Citizens Charity Classic Golf Tournament on Monday, May 7, 2018. Held at Gunter's Landing Golf Club, the tournament benefited Northeast Alabama Fellowship of Christian Athletes (FCA), its beneficiary since the tournament's inception. The proceeds amounted to \$36,000 to FCA this year bringing the total donated over the last four years to almost \$140,000.

"We're thrilled with the success of this year's tournament and with the opportunity to get out as an institution and support this worthy cause," said Citizens Bank & Trust President/CEO Charlie Williams. "Around 2014, our Bank realized we could do more to give back and we began thinking of hosting this golf tournament. It has been great watching it grow over the past three years, and we've enjoyed partnering with FCA, it has truly been a blessing and always a fun day for our Bank too."

It was a full tournament with 48 four-man teams participating over two flights. Golfers were able to choose either a morning or afternoon tee time and enjoyed fellowship with other participants throughout the day. Prize money was awarded to first, second, and third place winners in two flights in both the morning and afternoon tee times. Golfers also had the opportunity to win door prizes including a Dewalt Drill Set, the grand prize.

"Our main goal in this event continues to be to raise funds for our beneficiary, while at the same time ensuring our participants have fun, enjoy the day, and learn more about FCA too," said Citizens Bank & Trust Marketing Officer and Tournament Manger, Kasey Crochet Culbert. "I think we accomplished this again in our tournament and it would absolutely not be possible without all of the support from our sponsors and partners. FCA does such great and important work, and it's encouraging to see so much support from our community for them through our event."
